Agoura Hills, CA – April 6, 2009 -- Wood Ranch BBQ & Grill was the sole caterer on the red carpet at Thursday’s premiere of “Hannah Montana, The Movie.”

Wood Ranch was invited by Walt Disney Studios Motion Pictures Distribution to serve more than 1,000 guests invited to the premiere.

Wood Ranch served guests, the media and crew a choice of WR Tri Tip Sliders (BBQ tri tip on a mini-roll), Certified Angus Beef® Mini Burgers, Original Peanut Coleslaw and Lauren’s Favorite Mac ‘n’ Cheese.

“We took it as a great honor and compliment that Disney asked us to do this,” said Eric Anders, co-founder of Wood Ranch. “A lot of the work we’ve done catering to many important companies and individuals clearly works out for the best if you take care of the details.”

Among the guests served were the cast and producers of “Hannah Montana, The Movie” as well as Tinseltown celebrities.
